

1. THE TESLA MISSION

To provide a supportive and engaging learning environment that emphasises the sciences, design and technology by delivering an education that meets the highest international standards with a focus on well-being while ensuring students are grounded in their home languages and cultures.

2. PROGRAMME SUMMARY

TESLA seeks to empower individuals to discover their talents, realise their full potential and become self-reliant.

At TESLA the Scholarship Programme offers competitive scholarships to young people of outstanding ability and potential. TESLA will initially award competitive scholarship places for the academic year 2020/21. During the initial scholarship year, students will be appraised and considered for an extended scholarship the following year. Scholarships will initially run from Grade 1 upwards.

3. PROGRAMME FUNDING

Scholarships will range from 25% of tuition fees to 100 % dependent on the ability and potential of the student applying

PROGRAMME AIMS:

- To recruit students who otherwise would not have had the opportunity to attend TESLA.
- To be a leader in providing educational opportunities for underprivileged and talented individuals.
- To create a robust and ethical scholarship selection and appraisal system that other schools and networks emulate.
- To develop the awareness that individuals can empower themselves and contribute to society through excellent education.

4. SCHOLARSHIP COMMITTEE

TESLA Scholarship Committee is designed to ensure that the awarding of scholarships is carried out in an ethical and transparent manner and will be made up of the following representatives of school:

- An experienced educator who is versed in awarding and administrating of scholarships
- A TESLA staff member responsible for marketing and public relations
- A TESLA staff member responsible for the financial aspects of the scholarships
- Up to two additional members representing the interests of those sponsoring the scholarship

The Scholarship Committee is responsible for reviewing the first round of scholarship applicants and creating a shortlist of 2-3 potential recipients. The individual school leadership teams will make the final decision on the recipient from the shortlist. All decisions will be made by a majority vote.

5. SCHOLARSHIP APPLICANT ELIGIBILITY

Scholarship applicants must meet the following criteria to be considered for a scholarship:

- Age 6 or above from 1st August 2020.
- Demonstrating academic excellence, potential and integrity as determined by the Scholarship Committee.
- Ability to contribute to contribute and add value to the School and the society from which they come.
- Demonstrating adaptability, it is important that the individual can settle well in TESLA school.
