

TESLATIMES

Head of School's Welcome

Dear Tesla Parents and Community,

It is my pleasure to welcome you to a new school year filled with **promise, innovation, and excellence**. I am **very excited to continue leading Tesla** into the 2025–26 academic year, working alongside our dedicated teachers and supportive parents to ensure every student thrives.

This year marks the next chapter of our **4-Year Strategic Development Plan (2024–2028)**, designed to provide your child with the **very best education in a nurturing and inspiring environment**, guided by our **four key pillars – the 4Es**:

- **Excellence in Learning**

Tesla is proud to be an **IB school**, a **Cambridge International School**, and a **CIS Member**. We have completed our final **MYP authorisation report** and are awaiting the IBO's visit, with our **DP verification visit coming soon**. Our specialised pathways in **Aviation, Fine Arts (Music, Visual Arts, Digital Media), STEM-IT&AI, Business** ensure students explore their passions and prepare for global opportunities.

- **Excellence in Teaching**

We invest in highly qualified teachers, many with **Master's degrees and IB training**, and all with strong bilingual or multilingual proficiency. This year, we welcome a new **MOET Lead Teacher** to strengthen Vietnamese curriculum integration with our international programmes.

- **Excellence in Community Engagement**

Most new families join us through word of mouth, reflecting the trust and satisfaction within our community. Our **House System** continues to build pride, belonging, and connection among students and staff.

- **Expansion of Educational Services and Infrastructure Development**

We remain committed to expanding our programmes and facilities to provide a **modern, innovative, and safe learning environment** for all students.

At Tesla, **Education with Two Wings** – strong bilingual foundations and an international mindset – ensures your child is confident, prepared, and future-ready.

Further details for the start of the year will be shared on **4th August** via the **Tesla Newsletter** on our website.

Thank you for your trust and partnership. **I look forward to leading Tesla through another inspiring and successful year together.**

Warm regards,

Kim Peters
Head of School
